PROFILE

As a front-end developer with more than 1.10 years of experience, I'm proficient in HTML, CSS, JavaScript, React.js, Next.js, and have hands-on experience with Magento and WordPress. Additionally, I have a strong background in integrating with various APIs, allowing me to seamlessly connect front-end interfaces with backend services. I'm also skilled in CSS frameworks like Bootstrap and Tailwind CSS, dedicated to crafting exceptional user interfaces and delivering outstanding web experiences.

WORK EXPERIENCE

Frontend Web Developer

Moretasks business solution limited

March 2022 - Current

- Integrated with API to enhance website functionality.
- Utilized CSS frameworks like Bootstrap and Tailwind to create responsive websites.
- Designed and developed company websites to meet specific business requirements.
- Led and collaborated with a small team of professionals to achieve project goals.
- Designed and developed e-commerce websites using Magento, optimizing online shopping experiences.
- Created travel-related blog websites using WordPress and integrated e-commerce features using WooCommerce.
- Familiar with Node.js, Laravel, and PHP, and these languages enable versatile web development capabilities.

SELF - PROJECTS

Made projects of my own designs and deployed the projects also
